This colour palette is supposed to represent the atmoshere that is present at the Pol'and'Rock Festival, as well as representing the colours of the sky as the day progresses to symbolize the diversity of music genres, activities and audiences at this festival. Additionally, it is meant to be associated with the rock genre, as it is a rock festival.

App Layout

Lotus Flower Background

The lotus flowers are meant to represent peace and link into the charity aspect of Pol'and'Rock, as well as paying homage to the festival that originally inspired it, Woodstock Festival.
